Aseel Mohamed Abdelaziz

Third-year CS student

Qalyubia, Egypt 01098184398 Email LinkedIn GitHub Portfolio

Profile/Summary

- Third-year Computer Science student specializing in Artificial Intelligence at Benha University. Skilled in programming, data analysis, data cleaning, and data processing, with practical experience through academic and training projects. Interested in Data Engineering, AI, and Data Analysis.

Career Objective

- Seeking Data Engineering or AI internship opportunities, or Junior Data Analyst and Data Entry positions to apply my technical skills and gain practical experience.

Education

- B.Sc. in Computer Science – Artificial Intelligence Major | Benha University
- Third-Year Student | GPA: 3.63 / 4.00
- Expected Graduation: 2028

Internships & Courses

- **Microsoft DEPI:** Data Engineering Track – Completed, Certified.
- **Huawei:** Big Data Training – Certified.
- **Microsoft Power BI:** Training Program – Certificate of Completion.
- **Macquarie University (Coursera):** Microsoft Excel – Data Analysis and Dashboard Creation.
- **Coursera:** MATLAB Image Processing – First Course Completed; Program Ongoing.

Projects

CRM Customer Data ETL Pipeline – DEPI Graduation Project

- Contributed to data profiling, quality validation, and bad data analysis.

Marine AIS Big Data Analytics

- Used Apache Spark and Spark SQL for data processing and analysis.
- Applied K-Means clustering using Spark MLlib.

Educational Platform System

- Developed a desktop application using Java and MySQL.

Tic-Tac-Toe Game

- Developed a Python game implementing the Minimax algorithm.

Data Cleaning & Analysis Projects

- Worked on data cleaning and analysis using Python, Pandas, and SQL.

Skills

- **Programming:** Python (Advanced), C++ (Advanced), Java (Intermediate).
- **Data Analysis:** SQL, Pandas, NumPy (Advanced).
- **Data Visualization:** Power BI, Excel (Intermediate).
- **Big Data:** Apache Spark, Hadoop (Basic).
- **Other:** MATLAB (Currently Learning).

Languages

- Arabic (Native)
- English (B2)
- German (A1)
